Dear Matt Strauss,

The Madisonville Community Council (MCC) is writing to you today to share our support of the Madisonville Community Urban Redevelopment Corporation (MCURC) / Madisonville Business Chamber (MBC) 2019 NBDIP minor funding application for pedestrian safety.

As Madisonville continues to revitalize and grow, it is important to keep residents, visitors and our children safe. Adding the requested enhancements to existing areas and adding additional safety precautions will ensure additional points of safety for all.

By supporting this application, we voice to the City of Cincinnati the endless importance of pedestrian safety and the work to make our street safety a priority for all our residents and business patrons in Madisonville. We look to continue the building upon the safety policies in place with the of MCURC, MBC and MCC.

Sincerely,
